

Walter Lighting & Grip

Serving the Film, Broadcast and Video Production Industries

HMI Travel Package

The HMI Travel Package is similar to our Tungsten Travel Package, except it focuses on your daylight lighting needs. Complete with a selection of essential grip gear, this package is designed for “On The Run” shooting. It contains an assortment of efficient HMI and Kino Flo lights. Since it is small enough to fit in your car or minivan, the HMI Travel Package is great for any studio shoot or small “On The Run” productions.

Rate Card

Pricing for the HMI Travel Package is as follows:

- \$650/day for the equipment
- Additional items are extra—less a discount (if applicable)

** NOTE: Taxes and expendable purchases are extra. Prices subject to change without notice.
